AT 30 EUSTON SQUARE

A traditional venue with exquisitely modern spaces

Located in the heart of London, 30 Euston Square is a historic, Grade II* listed wedding and events venue, originally built in 1906.

Our historic property integrates a grand Edwardian façade with Greek revival architecture, coupling beautifully with modern detailing and contemporary characteristics within the spaces.

Our license for wedding and civil partnership ceremonies allows us to offer a unique and atmospheric setting for every part of your wedding day.

“The marriage of 30 Euston Square’s old and new features were very attractive. The State Rooms were of excellent quality and did not require much in the way of decoration, they were beautiful in their own right.”

We only use British-milled flour and this year, we have introduced wild-grown wheat from regenerative farms and ancient British grains in our recipes

All our fresh eggs are British free-range

We champion local produce, with all fresh fruit, vegetables, cheese and dairy coming from our local supply network

We celebrate signature seasonal English apples at all our cafes. We also offer a free bowl with all our meetings packages

Our cooking chocolate is organic single source from Islands Chocolate farm in St Vincent and you can trace its journey from pod to pot

Too Good To Go

We have partnered with food waste app Too Good To Go, an innovative app that connects customers to restaurants that have unsold food surplus – at a great price – so it gets eaten instead of wasted

We have launched a trial of a carbon footprint calculator to understand the impact of our menus

We use porcelain crockery, glassware and metal cutlery as much as possible to reduce single-use food packaging. Where it is impossible to avoid, we choose organic materials for packaging and limit plastic where we can. We focus on minimising the windows/weight of plastic inclusions and choose recyclable materials over compostable

All our teas are ethically, responsibly sourced, Fairtrade and some are carbon-neutral

Our coffee comes from an organic cooperative of smallholders in Peru and from family-run single estates in Guatemala and Colombia

Our water is triple filtered in-house, reducing CO₂ emissions and waste.

We celebrate English sparkling wines, working with some of the best vineyards in the country. We have also created our own label working with a vineyard in Guildford

Our house beer is supplied by Freedom Brewery, the only beer recommended by the Sustainable Restaurant Association and Toast, a craft beer brewed with surplus fresh bread that would otherwise be wasted, with all profits going to the charity

Our Searcys apprenticeship programme ensures we have exciting apprenticeships for those entering our industry, and for our seasoned colleagues we have 42 development journeys in culinary, operations, front of house, HR, IT, finance and marketing

All our uniforms are made with Sedex-certified cotton, so that we know that people who manufacture them are treated fairly

We celebrate our people's contribution and loyalty with our long-service awards

In 2022, we were awarded the Disability Confident Employer certificate. The accreditation helps us ensure that everyone has an opportunity to fulfill their potential

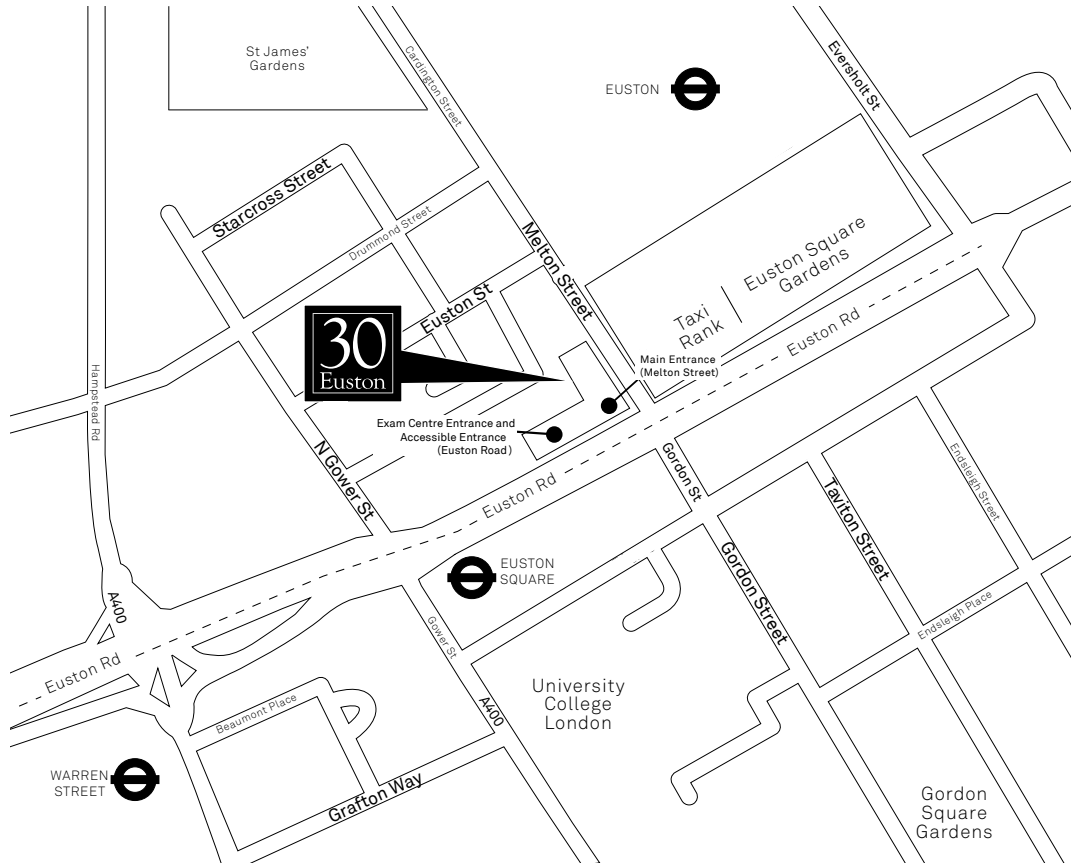

Our nominated charities Hotel School and Beyond Food help those who are most at risk of unemployment and homelessness to gain meaningful employment in hospitality
